What would you do if you came face to face with God? What would He think of the often cruel and violent state of humanity? Mr. Breeze is the story of one man's encounter with the creator, the very personification infinite power and justice. But despite God's teachings, humankind continues to withhold drugs that could treat and prevent AIDS, and engages in bloody wars. God can no longer turn a blind eye to mankind's cruelties, but there is a ray of hope - one last chance for humanity. Told from the perspective of a mortal man who briefly travels with Divinity in human form, Mr. Breeze reverberates with emotional impact.
